## QUESTIONS

Please answer the following questions. Please limit your response to one (1) paragraph (200 words).

What are your future career goals?

How would an internship at DoE assist you in accomplishing your career goals?

Why should we select you as an intern for DoE?

If funds were unavailable, would you still be interested in working with the DoE on a voluntary basis?

Yes                  No

**DECLARATION**

I declare that the preceding is correct and true. I attach or can produce certification of qualification on request.
